

ValueEngine™ : Benchmarking Summary Worksheet

The bar graph below reflects your benchmarking results. **Transfer** the scores from each **Practice Section** into the score boxes indicated below. Next, using the following **color key**, shade in each bar for the respective **Practice Section** score.

■ Green 80 pts. and above = **Best Practices**
 ■ Yellow 60 to 79 pts. = **Accepted Practices**
 ■ Red Less than 60 pts.= **Below Accepted Practices**

	0	10	20	30	40	50	60	70	80	90	100	Scores
Foundation Practices												
Practice Section 1: Organizational Engagement												
Practice Section 2: Data and Quality Management												
Practice Section 3: Benefit Design and Policy Development												
Practice Section 4: Environmental and Cultural Supports												
Practice Section 5: Program Marketing and Learning Technologies												
Practice Section 6: Primary Prevention and Wellness Management												
Practice Section 7: Risk Identification and Intervention												
Practice Section 8: Medical Consumerism and Decision Support												
Practice Section 9: Medical Management												
Practice Section 10: Program Outcomes												
Total Value Index (TVI): Total all practice section scores. Then divide by 10.												
Continuum Practices
